Best Business Practices for Photographers, 3rd Edition, is an updated and expanded version of John Harrington's bestselling books on the topic. Best Business Practices for Photographers covers the essential business topics that professional photographers need to know in order to succeed. It does not focus on taking pictures, starting a photography business, or selling photography, but rather explains how photographers can meet important business objectives. MORE BEST BUSINESS PRACTICES FOR PHOTOGRAPHERS expands on the success of John Harrington's popular BEST BUSINESS PRACTICES FOR PHOTOGRAPHERS. This second volume features even more tips and techniques for professional and aspiring photographers looking to operate a successful photography business. John Harrington's Best Business Practices for Photographers, 3rd Edition is a huge book filled with pragmatic advice and lessons learned from a prolific, professional photographer. With 45 chapters that cover everything from business, legal, tax, audit, and copyright to the very practical subject of backing up and archiving your files, Harrington clearly knows how to run a photography business.
