Recomendations for pocketable compact cameras with manual settings 2 days ago I used to be into cameras having worked my way through film SLRs, large format film cameras, digital SLRs, digital mirrorless with both interchangeable and fixed lenses. Compact Camera With Manual Settings Ebook Chapter 1 : Ebook Compact Camera With Manual Settings Compact Camera With Manual Settings Ebook This is a wonderful pricing strategy in case you are seeking to acquire long-term customers. Long-term prospects are extremely doubtlessHi, Most of the compact cameras are point & shoot, There are few cameras with manual settings. The problem is, the specifications about most of the cameras, say it has manual settings (aperture, shutter-speed, ISO etc) but about manual focusing is not clear."This camera is a great option for photographer's looking to use a camera with great presets but also easy manual settings.
