

Download Elastic Loom Band Instructions

A rubber band (also known as an elastic band, gum band or lucky band) is a loop of rubber, usually ring shaped, and commonly used to hold multiple objects together. The rubber band was patented in England on March 17, 1845, by Stephen Perry. Most rubber bands are manufactured out of natural rubber or, especially at larger sizes, elastomer, and are sold in a variety of sizes.

How to Make a Fishtail Bracelet with a Rainbow Loom. Rainbow Loom bracelets are all the rage. If you already mastered the basic technique, you might want to try the more intricate fishtail design instead. The design looks complex, but they... Love your hat! Making for Christmas for all the long haired bun wearers in the family. Your use of elastic is brilliant!! I'm actually going to use your idea in the ear warmers that I make.

Tips on Selecting a Spinning Wheel. This page will give you an introduction to selecting a spinning wheel, buying a spinning wheel, touching on the types of wheels, technical terms, attachments, spinning options and considerations in choosing a wheel, including, perhaps, your first wheel.
