

Download Home Health Aide Test Practice

Home Health Aide (HHA) certificate programs provide courses on patient care, basic medical care, emergency response and housekeeping duties. Certificate programs usually require one semester of study where students learn how to take care of residents by administering medications, cooking, cleaning, organizing household goods and assisting with personal hygiene. A client accuses a home health aide of stealing five dollars. The aide has not taken the client's money, but the client does not believe this. Welcome to your FREE Home Health Aide Practice Exam!. There are fifty (50) questions (broken into 6 sections). They are not difficult and will give you a sense of what may be asked on the home health competency exam. Take Caregiverlist's Practice Certified Nursing Aide Test.
