Comfortable seating, vibrant patterns, and an abundance of greenery are a few elements that make for a chic outdoor oasis. Whether you're lucky enough to have a spacious terrace or enjoy the charm of a cozy patio, you're sure to find inspiration in these well-decorated outdoor rooms. Sliding barn doors look fabulous when used inside the home. Country to contemporary, here are some fabulous ideas on how you can bring them into your home.

5. Pantene Pro-V Intense Rescue Shots are allegedly the best thing you can get for \$5 bucks, according to my other blogging half. Can't wait to douse this frazzled mop in a squeeze bottle of that shizzy.

6. Hands-down the best thing on this list and on the interwebs right now is Charlie & Maverick – Charlie being the newly blind older fella, and Maverick, his spry seeing eye puppy. In case you needed a reason to feel bad about yourself and your place in life this morning, look in a mirror. Kylie Jenner received a spread in Architectural Digest, which came out yesterday. In it, you can take a digital tour of Kylie Jenner's mansion and gawk at her furniture, which includes pieces like a \$13,850 chandelier and a \$48,000 hammock (that was not a typo).
