This page lists assorted resources not listed on the home page. Use any of the following for nonprofit purposes, but, please state the source and give credit to the author. Just as English slips into Math through Algebra, Math sneaks into English through numerals. Various guidelines can aid writers in using them. A numeral is a symbol of a number. "20", "six", and "XII" are the numerals of the numbers they represent. You cannot actually see a 2, but any of ...
