Rugby 410 Laser Level pdf manual download. Also for: Rugby 420 dg, Rugby 410 dg. A laser tape measure is a very simple device and a great technological advance on the old way of measuring distances. It is accurate to within 1/8 inch up to 300 feet and can measure distances up to 650 feet in some instances. This makes it ideal for those involved in construction but it's also a wonderful item for every homeowner to have in his tool box.
