

# Download The What To Expect Pregnancy Journal Organizer

Your Personal Pregnancy Companion A Journal and daily diary to record all those memorable moments in the making of your baby—from the test coming back positive to the first ultrasound. From the first kick to delivery to the first cuddle. An Organizer to keep track of everything pregnancy: practitioner visits and shopping lists, birthing plans and birth announcements, baby names and baby gifts. At 4 weeks pregnant, your baby is the size of a poppy seed. The blastocyst has moved from Fallopian tube & implantation has occurred in your uterine lining. You may have pregnancy symptoms like implantation bleeding, abdominal pressure and tender breasts. At 3 weeks pregnant, your baby is the size of a vanilla bean seed. This is the week you've ovulated and conceived. Your baby is quickly developing as fertilization occurs. You may even start feeling early pregnancy symptoms, like a heightened sense of smell. Family Organizer helps you focus on family. Manage busy schedules, save memories, and get more done by keeping all your family matters in one easy app. Family Organizer presents your events and due dates in a convenient daily format, so you'll never feel like you've left something out.
